#### Cotton Candy, Corn Dogs, and a Side of Popcorn

Fall is here and while most people think of pumpkins, scarecrows, and falling leaves, I think about our school's carnival! Next week will be our Fall Festival. I am **tickled pink** about it because it is one of my favorite times of the year. At the carnival, each classroom is **responsible** for a booth. My class is doing a "Go Fish" booth where kids catch candy using special fishing rods. There will also be other booths like a basketball hoop shoot, a mini-bowling alley, balloon darts, and a cake walk.

One of my favorite parts of the carnival is the food. My mom and dad try to **encourage** us to eat healthy food most of the time. On carnival day though, all rules are **out the window**! I get to **pig out** on things like cotton candy, corn dogs, and popcorn too. If I'm still hungry, I might even eat a caramel apple! I can't wait!

#### THE TIDEPOOLS

My grandpa lives near the beach. When we visit every summer, I love spending time with him. We like to walk down to the **shore** and see the tidepools. These are rocky places where the ocean meets the land in the **shallow** water. The tidepools are hidden underwater until the ocean water goes back at low **tide**. When it's low **tide**, we like to walk on the rocks. We can see all the interesting sea **creatures** who live there.

When he was younger, my grandpa used to be a science teacher. He knows a lot about plants and animals. When we're at the tidepools, he teaches me fun facts that no one else would know! Now I can even point out lots of ocean animals, like starfish (called bat stars), sea urchins, and warty sea cucumbers! One thing we always do is to **keep an eye out** for hermit crabs. Those are my favorites!

**A ZIPLINE IN THE TREES**

My mom says that my dad is a **daredevil**. He likes to do things like rock climbing, cliff diving, and whitewater rafting. Other things are ziplining. That seems **tame** compared to everything he likes to do. My dad planned a day trip for the four of us to go to a place that was about an hour away from our house.

The morning of our trip, I was an **early bird** and before everybody! Once we drove into the mountain area, it was exciting. There were pine trees everywhere! Our guide talked and checked our harnesses. Then we climbed up a large tree. The guide hooked my rope to a **cable**, and I flew from the next tree's **platform**! It felt like I was flying! We had a great time.
