THE TEACHER NEXT DOOR

WHO IS TTND?

At **The Teacher Next Door**, we know that you strive to be an effective teacher while maintaining a healthy work-life balance. In order to do that, you need resources that are impactful yet simple. The problem is that most resources out there are far from simple. The pages upon pages of daily lesson plans are just plain overwhelming. We believe teachers should be living their lives outside the classroom and not spending hours lesson planning and searching for resources.

Now, more than ever, teachers need space to be themselves, which is why we create and support teachers with time-saving tips and standards-aligned resources.

We can't wait to help you get started.

A NOTE ABOUT OUR CEO AND FOUNDER: Jenn Larson is the creator and founder of The Teacher Next Door. With over 20 years of experience in the classroom and a Master's Degree in Curriculum and Instruction, Jenn specializes in creating resources for upper elementary students. Her goal is to support teachers by providing ready-to-use resources that target standards and help students grow in amazing ways.
