Local Fundraiser Benefits Dogs

When the Williams family went to the Dog Rescue Center to adopt a dog, they were determined to do even more to help! Jasmine and her mom, Nia, decided to bake and sell homemade pies, and they named their mission "Pies for Pups". The mother daughter duo is selling made-to-order apple, peach, banana cream, chocolate, and strawberry pies this month. All profits will benefit the Dog Rescue Center in Fort Wayne, Indiana.

Pies for Pups

When my family recently visited the Dog Rescue Center, we were surprised to see how many dogs needed homes and how much the Center needed supplies too. Since my daughter and I love to bake, we decided to bake and sell homemade pies to help fund the Rescue Center. If you have a heart for dogs, we hope you'll support this worthy cause by purchasing a pie or better yet, adopt a dog!

OUR SAFARI

We recently took a trip to Kenya and were excited to go on a safari! We woke up early and boarded a covered safari minibus. It kept us out of the hot sun, but we were still able to see lots of animals. Our guide told us that we would hopefully see buffalo, elephants, as antelope, zebra, back to eat and rest incredible too!

African safari of the main highlight are open vehicles. Although each day is a group of some

WHALE WATCHING

Whale watching is a fun activity in Monterey Bay, California. Depending upon the time of year, passengers on the two hour cruises may see gray whales, orcas, humpback whales, or blue whales. Other sea mammals like dolphins and sea lions are also frequently seen by whale watching passengers. Besides being fun, the tours are educational. All trips are led by marine biologists with many years of experience.

ON THE WATER
My dad and I bought tickets to go on a whale watching tour in Monterey. It was chilly that afternoon, so we bundled up and boarded the large ship. As soon as we started moving, we saw a group of noisy sea lions lounging on floating wooden decks in the bay. A few minutes later, bottlenose dolphins jumped out of the water near our ship. It seemed like they were performing for us! After the dolphins, we waited a long time before finally seeing a humpback whale and her calf. That was my favorite part of the trip!

1. Whale Watching was written using which point of view?
